

LIVE PRESENTATION

Brochure that will inspire you to create a presentation of iNELS smart home solutions

SHOWROOMS • CASES • BOARDS • SHOWROOM ON WHEELS

The basic introduction of items from iNELS BUS System and iNELS RF Control with the using of the selected units.

iNELS Bus (3rd generation)

Intended for training and playing. Sample of controlling the switched and dimmable lighting, control blinds, heating circuit, irrigation, control by Touch panel, control using bus and classic buttons or through iHC application.

Product number	Parameters	Price
Code	Dimension	board holders
80240	770 x 2000 mm	

The sample of controlling switched and dimmable lighting, RGB sources, control blinds/shutters, heating circuits, possibility of multimedia upgrade – iMM and divided into Audio and Video zones, cameras, weather stations, energy consumption measurements, Intercom + LARA (multimedia, radio). It is possible to control using Touch panel, by bus or classic buttons, via iHC applications and through iMM.

Product list	Specification
eLAN-IR-003	Smart box for controlling audio-video devices through your smartphone
iMM Client	Player videozone allowing control of all system functions through the TV screen
IM3-40B	To connect up to 2/4 devices with potential-free contact
RF Pilot	Wireless remote controller
RF Key	4-channel remote control in the keychain design
BPS2-01M	Bus separator from power supply
99611TPE	Cover for RFWB-40/G and WSB2-40/G
99601TGE	Cover for RFWB-20/G, WSB2-20/G, WTC2-21/G and WMR2-11/G
90910TTP	Single-frame, METALLO
JA2-02B/DC	Shutter actuator
CU3-01M	Brain of iNELS system
PS3-100/iNELS	Switching regulated power supply with total power 100 W
PBS3-01M	For the impedance separation of one CIB line from the power supply
DA3-22M	For dimming ESL, LED and RLC load
RFSA-66M/230V	Switching actuator, 6 independent channels, 3x8A NO, 3x8A CO
RFDA-73M	Dimming actuator to dim an LED strip and RGB LED strip
LED strips	LED strips, 14,4W, RGB, 60LED/m-1m
LL-G9-100-4K	LED G6
RFWB-40/G	Wall RF switch, 4 buttons
